SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicants wish to bring to the attention of the Patent Office additional prior art received in connection with an Official Action issued in Applicants' corresponding Japanese application. Attached is U.S. Patent Office Form PTO-1449, including copies of the prior art references listed therein, and a copy of the Official Action. Where available, English language counterparts and/or abstracts are also provided for Examiner's convenience. The claims in the present application are believed to be patentably distinguished over these references.

This Information Disclosure Statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitute prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.
